

EXTENSIONS OF REMARKS

HONORING HOLLY'S HISTORY OF SERVICE

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Ms. SLOTKIN. Madam Speaker, I rise today to recognize my little town of Holly and, in particular, its commitment to its men and women who have served in uniform. I am especially proud to commemorate the Holly Area Veterans Resource Center and its dedicated members as they host a Welcome Home event tomorrow for our troops and their families.

Holly's track record of service isn't limited to just one event on one day—far from it. Our village's commitment is absolute, as evidenced by the namesake of the community center where the Veterans' Resource Center holds its events: Lt. Karl Richter.

As a 23-year-old officer in the Air Force, Lt. Richter became the youngest pilot to shoot down a MiG over Vietnam. He would eventually fly 198 missions—the most out of any airman at the time—and would ultimately earn the Air Force Cross, the Silver Star, and Purple Heart for his valor.

Lt. Richter was born and raised in Holly, and the legacy of service that he exemplified continues to live on in our community. The old oak tree in the parking lot of Holly Elementary School is ringed by dozens of yellow ribbons noting which of our hometown heroes are on active duty. Holly is also home to the Great Lakes National Cemetery, where over fifty-thousand of our nation's veterans and their family members have been laid to rest. At their military funerals, it's common to see a joint honor guard of Holly VFW and American Legion members carry on their traditions with a performance.

Lastly, together with local leaders and veterans groups, my team led an effort to rename our local post office. I believe service is the greatest love letter you can send your country, and at the Holly Veterans Memorial Post Office, we will soon be able to pay tribute to that service each time we send letters of our own.

In short, Holly is a place that knows its veterans. We're proud to stand with them throughout their entire careers—from that first bus that takes them to boot camp until their retirement and beyond. After all, when we send folks to fight for us, we have a responsibility to care for them and their loved ones for the rest of their lives.

That said, we know that the return to civilian life can be difficult. With its Welcome Home event tomorrow, Holly honors the service and sacrifice of veterans and their families. With a parade, food trucks, and live music, we will celebrate the folks who stepped up to serve our nation. And through a commemorative pinning for any veteran who served from 1955 to 1975, we will thank them for their willingness to risk life and limb to defend our way of life.

Representing Holly is one of the greatest privileges of my life. I'm proud to honor Holly,

so that its legacy of service can forever be remembered.

HONORING THE 60TH ANNIVERSARY OF THE DIAMOND JUBILEE, OF SAINT TIMOTHY CATHOLIC CHURCH

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. GIMENEZ. Madam Speaker, I rise today to honor the 60th anniversary of the Diamond Jubilee, of Saint Timothy Catholic Church in Miami, FL. Saint Timothy was founded in 1960, and the church and parish have expanded to include many members of Florida's 26th Congressional District and beyond.

Saint Timothy Catholic Church not only provides a place of worship but also engages its parishioners through outreach to give back to the surrounding community. By distributing food to the hungry and providing a wide range of outreach services, the church exhibits the strong passion it has for helping others. I am very thankful for all the great work that Saint Timothy Catholic Church and their parishioners contribute to our community.

I congratulate all members of Saint Timothy Catholic Church on their 60 years of community. I look forward to their continued success and prosperity in the future.

HONORING BILL MCCARTHY, 2021 CENTRAL OHIO SENIOR CITIZENS HALL OF FAME INDUCTEE

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. JORDAN. Madam Speaker, the Central Ohio Area Agency on Aging will host its 45th annual Central Ohio Senior Citizens Hall of Fame induction ceremony on October 6 in Columbus. I am honored to commend to the House one of this year's inductees: William McCarthy of Marysville.

Bill is a mainstay of the Marysville community. He started working at Wolgamot's Drug Store in 1949, the same year he graduated from Marysville High School. He then earned his pharmacy degree from Ohio Northern University, after which he purchased a share in Wolgamot's. In 1971, after buying out the last of his partners, he renamed it McCarthy Pharmacy. McCarthy Pharmacy was a downtown Marysville landmark for many years, famous for its five-cent coffee.

Bill met his wife, Ruth, in 1949 while working at the pharmacy. They shared 63 years of marriage until her passing in 2016. They were long-time members of Trinity Lutheran Church and committed delivery drivers for Meals on Wheels programs in Marysville and Plain City.

Bill continues to serve Marysville in many ways, including as a member of the G.L. Kingsmore Scholarship Committee. He is proud to be a 33rd degree Mason.

Madam Speaker, selection for the Central Ohio Senior Citizens Hall of Fame is a high honor accorded to seniors who have devoted their lives to serving others. I am pleased to join in the accolades for Bill McCarthy on his induction and thank the Central Ohio Area Agency on Aging for recognizing his many sacrifices—and those of all of this year's inductees.

HONORING THE 30TH ANNIVERSARY OF THE LATINO CENTER ON AGING

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. GIMENEZ. Madam Speaker, I rise today to honor the 30th anniversary of the Latino Center on Aging (LCA). LCA was founded in 1991 and for decades has been a champion of advocating on behalf of Latino senior citizens by advancing and improving their quality of life. The center has been able to support and assist many members of Florida's 26th congressional district and beyond.

The Latino Center on Aging has successfully been able to carry out its mission through various avenues such as media engagement, testimony at public hearings, and conferences that directly address the problems Latino senior citizens are faced with.

Additionally, LCA has implemented a weekly radio show titled Para Mayores that has been broadcasted for the last three years. During the COVID-19 quarantine period, Para Mayores contributed to the lives of many seniors by providing them with timely and valuable information. This has become of significant importance as many times, language and cultural barriers impede seniors' ability to effectively obtain the necessary assistance they require.

As South Florida continues to see an expansion of Hispanic elderly residents in the region, now more than ever are LCA's contributions and mission critical to the surrounding community. I congratulate the Latino Center on Aging on their 30 years of community and contribution. I look forward to their continued success and prosperity in the future.

RECOGNIZING HINDU HERITAGE MONTH

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. KRISHNAMOORTHY. Madam Speaker, today I rise to join the many Hindu faithful in

the United States in recognizing the month of October as Hindu heritage month. The 8th Congressional District is home to many followers of this uniquely pluralistic religion, and I wish to celebrate the Hindu community's valuable contributions to my district and to our state and country. I believe this acknowledgment is especially timely, given the disturbing rise of prejudice and racism in this country, including Hinduphobia as manifested in hateful speech and violent acts perpetrated against Indian-Americans and Hindu houses of worship.

The Hindu religion dates back millennia and has profoundly influenced both ancient and modern cultures. Its message of religious tolerance, non-violence, and the universality of the human experience was introduced to this country in 1893 by Swami Vivekananda in his landmark address at the World Parliament of Religions in Chicago, Illinois. Swami Vivekananda's words of peace and his emphasis on self-perfection and service to others sparked interest in the Hindu faith and contributed to the growth of Hinduism in the United States. His spiritual understanding had a profound influence on one of the greatest leaders of the 20th century, Mahatma Gandhi, who in turn inspired the important work of one of our nation's most revered leaders, Martin Luther King, Jr., to advance the cause of civil rights in the United States.

The Hindu faithful in our country include physicians, lawyers, scientists, economists, philosophers, artists, academics, business leaders, government officials—and Members of Congress. They are guided by Swami Vivekananda's call to service and respect for all religions and all people. Madam Speaker, I know all Americans of goodwill share these beliefs, and today I would like to celebrate the work of the Hindu faithful in building bridges of understanding between all Americans, for their important contributions to our economy and our cultural and civic life, and for the part they play in creating our wonderful and distinctively diverse American experience.

HONORING SOROPTIMIST
INTERNATIONAL CENTENNIAL

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. HUFFMAN. Madam Speaker, I rise today with the honorable Congresswoman JACKIE SPEIER, Congresswoman ANNA ESHOO, and Congressman MIKE THOMPSON in celebration of Soroptimist International reaching its centennial on October 1, 2021. A global volunteer movement with over 72,000 members in 121 countries, Soroptimist, later named Soroptimist International, was established to advocate for gender equality and human rights, a mission that it has stayed true to this day.

Founded in 1921 when women were still not permitted to join service organizations, Soroptimist began as an 80-member club in Oakland, California with a vision for a world where women and girls were provided the resources and support to achieve their individual and collective potential. The club's first project was Save the Redwoods, confronting logging companies, lobbying the legislature, and rallying public support to designate a portion of the forest as protected land, which remains today.

Within 5 years, the organization, renamed Soroptimist International, grew to 15 clubs throughout the United States. In 1924, the first Soroptimist club in Europe was founded in Paris and fueled the establishment of clubs throughout the continent. Several federations were established across the globe from Australia to Africa, leading projects to support refugees, secure housing for the impoverished, assist individuals with disabilities, and provide vocational training for women and girls. Uniting these federations, Soroptimist International Association was awarded consultative status in 1950 by the United Nations Economic and Social Counsel, an honor reserved for about 3,000 non-governmental organizations worldwide. UNICEF also granted the organization consultative status for service projects assisting children in 1966.

Today, Soroptimist International includes 5 federations worldwide: Africa, the Americas, Europe, Great Britain and Ireland, and the South West Pacific. Their current priorities towards achieving gender equity include strategically addressing child marriage, female genital mutilation, domestic violence, rights of older women, migration, and human trafficking.

Madam Speaker, Soroptimist International has continued to be an innovative leader in promoting human rights and gender equity worldwide. Through the unwavering dedication of its many members and its continually growing network, the organization has never lost sight of its original purpose to educate, empower, and transform the lives of women and girls across the globe. Therefore, please join me in congratulating Soroptimist International for a century of inspiring work, and in wishing them many more years of success.

HONORING THE CAREER OF JON
PRATT, EXECUTIVE DIRECTOR
OF THE MINNESOTA COUNCIL OF
NONPROFITS

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Ms. McCOLLUM. Madam Speaker, I rise today to honor the distinguished career of Jon Pratt on the occasion of his retirement as Executive Director of the Minnesota Council of Nonprofits. During his more than three decades of nonprofit advocacy work and leadership, Jon has made an enduring impact for residents of Minnesota and has uplifted the important and necessary work of nonprofit organizations across the country. As founder of Minnesota Council of Nonprofits, one of the largest statewide nonprofit associations in the country, Jon created a space to meet the needs of Minnesotans through the growing nonprofit sector—a space which today serves over 2,200 member organizations across the state.

A lifelong Minnesotan, Jon began his career as a lawyer in 1977, and in the following decade gained valuable experience through several different jobs. He first organized a statewide lobbying program during his time at Minnesota Public Interest Research Group and traveled the Midwest while learning the ins and outs of foundation work as the regional field director for The Youth Project, a founda-

tion providing grants and assistance to grass roots community organizations. And as campaign manager for future U.S. Senator Paul Wellstone's bid for state auditor, he learned how critical it is to engage government to serve all Minnesotans. He then served as executive director of The Philanthropy Project where he led a coalition advocating for an increase in philanthropy efforts that benefited disadvantaged people across the state of Minnesota.

It was these diverse experiences that led Jon to convene a group of local leaders of nonprofit organizations to establish the Minnesota Council of Nonprofits (MCN) in 1987. Only the third such trade association of its kind in the United States, MCN was launched to fill the increasing needs of nonprofits throughout the state, with the core belief that sharing information and working together across areas of common interest will be mutually beneficial and uplift the nonprofit sector as a whole. Today, MCN hosts classes and networking opportunities for both new and established organizations, helps groups secure grants and other funding, facilitates a jobs board to connect employers with those seeking a job in the sector, and advocates for public policy changes at every level of government.

During his time with MCN, Jon was fundamental in helping elevate the status of Minnesota's nonprofit sector by establishing standards of excellence for nonprofits, co-developing Grant Advisor—a rating tool for those seeking grants that provides free and honest feedback about the grant process, creating training programs and materials to strengthen the service work of organizations, and conducting years of research on the nonprofit sector to promote transparency and positive change in the field.

I am grateful to have worked with Jon for many years on key state and federal policy issues as he led the way in advocacy work on behalf of the Minnesota nonprofit community. MCN was the largest employer group to support raising the state's minimum wage, they worked with the Minnesota Legislature to secure a non-itemizer charitable tax deduction, and through MCN's Minnesota Budget Project, led the charge to expand Minnesota's working family tax credit. Jon's advocacy also spreads beyond the immediate needs of the nonprofit world as he has been a constant voice for public good by opposing state voter ID bills and supporting human rights and equitable social programs.

Jon has truly been a champion for nonprofits across the Nation and while his tremendous leadership at Minnesota Council of Nonprofits will be missed by many, his lasting contributions are sure to inspire the leaders and public servants of the future. Madam Speaker, please join me in honoring the exceptional career of Mr. Jon Pratt.

HONORING RICHARD STAHL

HON. GREG STANTON

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. STANTON. Madam Speaker, I rise to honor the life and legacy of Richard Stahl, who passed away on January 3, 2021. A community leader and LGBTQ+ advocate, Richard

was a fearless champion for LGBTQ+ causes and fought tirelessly to bring us one step closer to eradicating HIV. Today, Arizona is a better and brighter place for his presence among us.

A New Jersey native, Richard had a profound love for Arizona. Put best by Richard himself, "I will retire here someday." After moving to the Grand Canyon state, Richard immediately rooted himself firmly giving all his time, heart, and soul to the betterment of our community. Casa Ben Dita—his beloved McCormick Ranch home—became a gathering place for some of the premiere LGBTQ+ organizations in Phoenix—particularly Lambda Legal, the oldest national legal organization dedicated to working for the civil rights of the LGBTQ+ community. Year after year, Richard inspired so many and had a unique sense of bringing people together for the common good.

When Aunt Rita's Foundation brought the AIDS Walk back to Phoenix, Richard was one of the first to jump in and support its success. He also was relentlessly active in Aunt Rita's Red Brunch to celebrate World AIDS Day and joined the Foundation's Red Purse Club, generously donating his time, talents, and treasure year after year.

His commitment to LGBTQ+ rights and the eradication of HIV extended beyond excellence in service and volunteerism. Together, with community partners, Richard helped form permanent financial legacies for the Southwest Center for HIV/AIDS. His generosity transformed the Southwest Center from a small organization to a thriving pillar of our community. Richard showed that by giving, anyone and everyone can change the world.

Today, the Southwest Center for HIV/AIDS is known as Arizona's premiere leader for financially accessible, culturally competent, LGBTQ+ friendly healthcare. For his lifetime achievement, he received the Southwest Center Philanthropist Lifetime Legacy Award and was named a Partner for Life. In his honor, the Center named its clinical trials division the "Richard P. Stahl Research Wing".

As we reflect how long we have come in the work to eradicate HIV, there is no doubt our progress was shaped by Richard Stahl. Arizona owes him a debt of gratitude, and he will be deeply missed by his friends, family, and all those he uplifted with his positivity and unwavering support.

Madam Speaker, in this spirit of remembrance, I rise to honor the life and legacy of Richard Stahl. I thank Richard, and Godspeed.

IN RECOGNITION OF PROVIDENCE UNITED PRESBYTERIAN CHURCH ON ITS 175TH ANNIVERSARY

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor the Providence United Presbyterian Church in Scranton, Pennsylvania on its 175th anniversary. According to the original charter, it was the first Presbyterian church to be founded in the Lackawanna and Upper Valley. The occasion will be marked with a festive celebration and service on Sunday, October 3, 2021.

On July 27, 1846, residents of Providence village gathered to discuss building a meeting house. A vote determined that the meeting house would be governed by the Presbyterians. On October 5, 1846, the First Presbyterian Church of Providence, Pennsylvania was organized. The first church building was built on the corner of Church Avenue and Oak Street, and the first meeting of the congregation took place on April 19, 1847. The house was dedicated on July 25, 1849 with Rev. Joseph Barlow as the first pastor. In 1862, a parsonage was added to the grounds, and a lecture and bible classroom was added to the church building in 1869.

In 1882, the congregation purchased land to build a new house of worship. They sold the parsonage to fund the cost of the new church in 1884, and in 1886, the beautiful stone church was completed and dedicated.

The faithful gathered and worshiped at 2020 North Main Avenue for almost a century. In 1971, the Providence Presbyterian Church merged with the Suburban Presbyterian Church to form the Providence United Presbyterian Church (PUPC). The congregations joined together to bear witness to their faith and serve their community.

The PUPC has been a pillar of the strong and supportive faith community of the City of Scranton for nearly two centuries. When the Concord United Church of Christ closed its doors, the PUPC welcomed its members into their fold. From 2004 to 2008, the PUPC shared worship and gathering spaces with many area churches, such as Marywood University, Covenant Presbyterian Church, the Presbyterian Church of Dunmore, Immanuel Lutheran Church, and Throop United Methodist Church. In 2008, the PUPC dedicated its new church building at 1145 Providence Road in Scranton.

Today, PUPC continues to grow and thrive. The church welcomes the faithful of the City of Scranton to practice their faith, fostering community and fellowship within the congregation.

I am honored to join with the congregation of the Providence United Presbyterian Church to celebrate 175 years of worship and community and the essential role it has played in the growth of Presbyterianism in Scranton. May PUPC continue to be a mainstay in the Scranton faith community and provide a safe and welcoming place to worship for generations to come.

IN RECOGNITION OF THE 100TH BIRTHDAY OF ELSA FORTH

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mrs. DINGELL. Madam Speaker, I rise today to recognize Mrs. Elsa Forth of Taylor, Michigan on her 100th birthday. Her life of courage and strength is worthy of recognition.

Mrs. Forth was born in the city of Belluno, Italy on October 1, 1921, the second of twins, to Andreas and Maria Da Rin. She spent summers in the village of Laggio di Cadore with her sister Antonietta and brother Alvio. She was educated at the Vatican at the sponsorship of Father Albino Luciani—later Pope John Paul I. Her hometown became a battlefield during World War II and Mrs. Forth played a

major role in the operations of the Partisans who fought alongside the allied forces against the fascist Mussolini and Nazi Germany. Her actions branded her a hero to those who know her legacy in Belluno. She left her home after being proposed to by a man with American citizenship and moved to Melvindale, Michigan.

After taking time to learn to speak English, she started working as a waitress at The Venetian Inn in downriver. In good company with the Italian family who owned the bar, they called her their "Italian Hero." She was quick to make friends and was well beloved in her new home. Tragically, she came home one night to a drunken, jealous husband and came face to face with a shotgun. She managed to escape down the stairs of their small apartment but was hit in her face and upper chest. She escaped bullets in Italy only to fall victim to gunshots in America.

Luckily, Mrs. Forth was able to get an experimental plastic surgery and was able to heal quickly. Soon after, she met Raymond Forth and they wed. Together they have one son, Tony "Tone". She was able to find work in a technical industrial role where she remained until her retirement at age 70. When Tony joined the Marines, Mr. and Mrs. Forth moved to a home in Taylor, Michigan. Today, they live together in the renovated family home, along with Tony's wife, Antonette. Mr. Raymond Forth passed away in 1983 Tony struggles to keep up with his mother who remains full of life, even at age 100.

Madam Speaker, I ask my colleagues to join me today in celebrating Mrs. Elsa Forth on her 100th birthday. Her story is one that inspires all who hear it. I join with her family and friends in extending my best and warmest wishes to her on this special day. I am proud to honor her life, her accomplishments, and her invaluable contributions to our community here at home and abroad.

I congratulate her on her retirement and God bless.

RECOGNIZING THE SIXTIETH ANNI- VERSARY OF JOHNSON ESTATE WINERY IN WESTFIELD, NEW YORK

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. REED. Madam Speaker, today I rise to recognize the sixtieth anniversary of Johnson Estate Winery in Westfield, New York and congratulate the Johnson family for reaching this tremendous milestone.

Three generations of Johnsons have farmed what is now Johnson Estate Winery. After immigrating to Canada and attending Cornell University, Frederick Johnson purchased a circa-1822 home and farm along the banks of Freeings Creek in Westfield, New York. He planted various fruits like apples, peaches, and concord vineyards, and named the farm Sunnyslope Fruit Farm. He worked as an entomologist with the Department of Agriculture in Washington, D.C. and North East, Pennsylvania, met his wife, and raised his family.

His son Frederick Spencer Johnson grew up on the farm, served in World War II as a naval aviator, graduated from Cornell, and raised his family overseas while working for Nelson Rockefeller's various agricultural endeavors. He returned to the farm in 1960, after his father died, and removed the aging fruit orchards before being the first Western New York Farmer to plant French hybrid grapes. His favorite hybrid, Chancellor, is in the winery's famous Founder's Red. In 1961, he opened the Johnson Estate Winery.

Frederick Spencer's children inherited the farm in 1998 and grew the winery with new vineyards, construction of a finished goods warehouse, and the introduction of new wines like fruit, sparkling, and ice wines. In 2010, Frederick Johnson, Jr. became the owner of the farm and winery with his wife, Jennifer. They renovated the century-old tasting room in 2011 and still live in the two-hundred-year-old farmhouse. This year, they opened an outdoor wine and food pairing location, Flight, as a nod to Fred Sr.'s service as a naval aviator and the love of aviation he shared with his son, Fred Jr. Guests enjoy sights and smells of harvest while savoring delicious wine and locally-sourced fruits, curated cheeses, and charcuterie boards.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to recognize the sixtieth anniversary of Johnson Estate Winery in Westfield, New York. Congratulations on this tremendous milestone.

CELEBRATING THE SEVENTH BIRTHDAY OF BLAKE BURTON

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. FOSTER. Madam Speaker, I rise today to honor one of my constituents, Blake Burton, on his seventh birthday and to recognize his resilient spirit in the face of unbelievable hardship.

Blake was diagnosed with leukemia at the age of four and has been bravely battling it

ever since. On several occasions, Blake's condition worsened, and his family feared that they might be losing him. After countless surgeries, transfusions, needles, surviving being on a ventilator, kidney dialysis, and three failed stem cell transplants, his fight with leukemia has now come to an end and Blake was recently put into hospice care.

Blake's family describes him a boy with a zest for life who makes an impact on anyone he comes in contact with. Despite a taxing fight against leukemia, he always has the energy to stick up for the underdog—a lesson we can all learn from.

On October 14, Blake will turn seven years old having experienced more challenges than most people will over the course of their entire

lives. We can all learn from Blake's bravery and strength, and I am honored to represent him and his family as part of the 11th Congressional District of Illinois.

Madam Speaker, I ask my colleagues to join me in celebrating Blake on his seventh birthday and in honoring his courage, perseverance, and spirit.
